ABOUT SHARE THE SPIRIT FOUNDATION

Share the Spirit Foundation believes a new pair of shoes does far more than protect a child's feet ... it restores dignity, sparks joy and opens the door to confidence.

With the right pair of shoes, children walk taller, run faster and step into their classrooms and communities feeling seen, valued and ready to thrive.

Since 2003, Share the Spirit Foundation has provided more than 25,000 pairs of new shoes and socks to children in our communities. Each pair represents comfort, confidence and opportunity.

With your support, we can continue to put hope in every step and make a lasting difference ... one child, one pair of shoes at a time.
