ABOUT SHARE THE SPIRIT FOUNDATION – AZ

Share the Spirit Foundation believes a new pair of shoes does far more than protect a child's feet … it restores dignity, sparks joy and opens the door to confidence.

Since 2003, Share the Spirit has provided **more than 27,000 pairs of new shoes and socks** to children in our communities … many experiencing the joy of choosing their very own pair for the first time. Our one-on-one shopping experience, led by compassionate volunteers, encourages a sense of pride, self-respect and most importantly a smile.

With your support, we can continue to put hope in every step and make a lasting difference … one child, one pair of shoes at a time.
